CALWORKS PROGRAM GUIDE ? SECTION 10-011: SUPPORTIVE SERVICES
TITLE: A. EMPLOYMENT SERVICES SUPPORTIVE SERVICES

Section 2

1. POLICY BACKGROUND & PURPOSE

The County of San Diego Health and Human Services Agency (HHSA) provides supportive services to CalWORKs Welfare-to-Work (WTW) participants to ensure individuals have the necessary resources to participate fully in assigned employment services activities and secure sustainable, long-term employment. Under California Department of Social Services (CDSS) Manual of Policies and Procedures (MPP) EAS 42-750, supportive services include transportation reimbursement, public transit passes, child care subsidies, and ancillary allowances for books, tools, clothing, and licensing fees.

Section 3

2. DETAILED REGULATORY STANDARDS & SERVICE CATEGORIES

? Transportation Assistance: WTW participants are eligible for transportation assistance to attend scheduled activities, assessments, and job interviews. Reimbursement is provided as public transit passes or mileage reimbursement at the standard county rate per mile for verified vehicular travel.

? Ancillary Expenses: Allowances are provided for required activity costs, including textbooks, uniforms, protective footwear, trade tools, background checks, and state examination/licensing fees. Ancillary payments must be necessary for participation and not covered by other educational or training grants.

? Advance Payments & Reimbursements: Supportive services can be issued in advance to prevent financial hardship that would prevent participation, or as a reimbursement upon submission of verified receipts and attendance logs.

? 12-Month Transitional Supportive Services: Former CalWORKs recipients who exit cash aid due to employment may qualify for transitional transportation and supportive services to maintain job retention.
