2. DETAILED REGULATORY STANDARDS & SERVICE TEAMS

? Family Team Conferencing: The Wrap Around process brings together the family, their assigned CalWORKs caseworker, behavioral health clinicians, housing specialists, child welfare social workers, and natural community supports to create a single, unified Family Plan.

? Flexible Funding: Wrap Around provides individualized, flexible supportive service expenditures to remove immediate crises (such as rental arrears, utility shutoffs, vehicle repairs, or specialized equipment) that threaten family stability.

? Clock-Stopping & Good Cause: When participating in intensive Wrap Around family stabilization, participants are granted Good Cause exemptions or WTW barrier removal credit, pausing the 60-month time-on-aid clock where appropriate under EAS 42-713.

? Continuous Coordination: Regular multidisciplinary team meetings are conducted bi-weekly or monthly to review family goals, track progress, and adjust service delivery.
