Section 1

COUNTY OF SAN DIEGO HEALTH AND HUMAN SERVICES AGENCY
CALWORKS PROGRAM GUIDE ? SECTION 40-100: APPLICATION & INTERVIEW
TITLE: B. CUSTOMER REQUEST FOR INFORMATION AND VERIFICATION

Section 2

1. POLICY BACKGROUND & PURPOSE

This section establishes County HHSA procedures for requesting verifications from CalWORKs applicants and recipients. In accordance with CDSS MPP EAS 40-126 and state due process protections, caseworkers must clearly notify customers of required documents, provide adequate response timeframes, and assist families in securing mandatory evidence before taking any adverse eligibility action.

Section 3

2. DETAILED REGULATORY STANDARDS & THE CW 2200 PROCESS

? Mandatory Written Form: All requests for information must be made in writing using the official County Request for Verification form (CW 2200). Verbal requests alone are legally insufficient to support a case denial or discontinuance.

? 10-Day Response Standard: Customers must be given a minimum of 10 calendar days from the mailing date of the CW 2200 to provide requested verifications. If the 10th day falls on a weekend or county holiday, the deadline extends to the next business day.

? Mandatory County Assistance: The caseworker must assist the customer in securing verifications when the customer indicates difficulty, lacks financial resources to pay document fees, or is unable to obtain records from third parties (e.g., employers, banks, landlords).

? Prohibition on Unnecessary Verification: Caseworkers are strictly prohibited from demanding verifications of eligibility factors that are not questionable, already documented in the case record, or available through electronic state data systems (e.g., MEDS, IEVS, EDD).

Section 4

3. CASEWORKER OPERATING PROCEDURES & VERIFICATION CHECKLIST

? Clear Checklist Itemization: On the CW 2200, clearly specify the exact document needed, why it is required, and the due date.

? Extension of Time: Grant extensions of time whenever the customer makes a

good-faith effort to obtain the records before the deadline.

? Denial or Discontinuance Safeguards: Do not deny an application for failure to provide information until the full 10-day period has elapsed and the case record documents that the County offered and provided all required assistance.
