Background:
The Restaurant Meals Program (RMP) offers certain households (HH), who may have difficulty preparing meals for themselves or who do not have a place to store and/or cook food, additional options for purchasing low-cost meals.

Purpose:
This section details the RMP eligibility criteria and required notices that must be issued when a HH is approved or terminated for RMP. The section is being updated due to the implementation of the revised RMP eligibility determination policy and the updated RMP Notice of Action (NOA) that went into effect May 2025.

Policy:
RMP allows eligible HHs to use their Electronic Benefit Transfer (EBT) card to purchase meals from participating restaurants. RMP eligibility is evaluated at initial application, recertification, periodic report, and mid-period when a change is reported. HHs determined eligible to RMP must be referred to https://www.cdss.ca.gov/rmp for a list of approved restaurants.
