Issue Date:
10/8/2014

Effective Date:
Upon Receipt

Background:
The Welfare-to-Work (WTW) Program is the employment and training aspect of CalWORKs (CPG 10-001.A). WTW is a statewide program designed to enable participants to achieve self-sufficiency through employment.
MPP 42-701.1

Policy:
Recipients must participate in the WTW program as a condition of eligibility for CalWORKs, unless exempt per CPG 10-020.A. Exempt recipients may voluntarily participate.
MPP 42-712.1

Failure or refusal to meet WTW requirements without good cause may result in financial sanction and ineligibility to receive supportive services (CPG 10-025.A).
MPP 42-721.2

Procedure:
1. The eligibility worker refers non-exempt recipients and exempt volunteers to participate in WTW after establishing eligibility to CalWORKs (Processing Guide 10-005.A1 in Eligibility Essentials SharePoint site).
   MPP 42-702.2

2. The Employment Case Manager (ECM) provides employment and training activities and supportive services to participants while ensuring state and federal participation requirements are met (CPG 10-005.C; 10-003.B; and 10-011.A).
   MPP 42-711.5 and 42-750

3. The ECM initiates the noncompliance process when a participant fails or refuses to meet WTW requirements without good cause. The ECM requests financial sanction for non-exempt participants (CPG 10-020.B and 10-025.A).
   MPP 42-721 and 42-713.2

4. The ECM schedules a cause determination appointment to allow an opportunity for the noncompliant participant to demonstrate good cause (CPG 10-025.B)
   MPP 42-721.24 and 42-721.3

5. The Overpayment Specialist Unit (OSU) reviews the sanction request and imposes a financial sanction if the request is valid and good cause does not exist. OSU rescinds the sanction if good cause exists or the participant agrees to a Compliance Plan (Processing Guide 40-200.D1).
   MPP 42-721.4

6. The ECM works with sanctioned individuals to cure their WTW sanction. The ECM notifies the eligibility worker when a sanctioned individual completes their sanction cure (CPG 10-025.D).

7. The eligibility worker lifts the sanction and restores aid to the individual the first day of the month following the date the individual contacted the county to cure the WTW sanction (Processing Guide 40-200.D1).
