DEFINITIONS

All Other Families Cases / TANF Timed-Out Family Cases
An All Other Family is a CalWORKs family who does not meet the Two-Parent or Zero-Parent definitions.

If an All Other Families case contains two aided adults, and only one adult is discontinued from the AU for reaching the time limit, this case is not considered a Safety Net case and should continue to be coded under aid codes 30, 3P, 3L or 3E.

For example, cases with incapacity as a basis for deprivation where one adult is disabled and exempt from the CalWORKs time limit would remain in its existing aid code and should not be shifted into a Safety Net aid code.

Two-Parent Cases
A two-parent family is one in which two aided, non-disabled, natural or adoptive parent of the same aided or SSI/SSP, minor child (living in the home); unless both parents are aided minors and neither is head of household.

Two-parent cases in which only one adult parent reaches the CalWORKs time limit should not be considered a Safety Net case and should continue to be coded under aid code 35, 3M, or 3U, as appropriate.

Zero-Parent Cases
A zero-parent case is one in which the parent(s) or caretaker(s) is excluded from or ineligible for cash assistance.

Current zero-parent cases (child-only cases that are in this category for reasons other than the adult(s) reaching the CalWORKs time limit or being a fleeing felon) should continue to be coded under existing zero-parent aid codes 33, 3R, 3G, and 3H.

Examples of zero-parent cases include, but are not limited to, cases in which the parent(s) in the home is receiving Supplemental Security Income (SSI) and therefore not aided, or cases in which the

caretaker relative is non-needy and not aided, or the parent is an ineligible non-citizen but the child(ren) is a U.S. citizen or eligible immigrant.

Safety Net and fleeing felon cases should not be coded as zero-parent cases; these should be tracked with aid code K1 or 3F.

Aid Code K1 – Unaided Single-Parent Safety Net, Fleeing Felon, Long-Term Sanction Child-Only Cases (only one parent/caretaker in the home)
CalWORKs cases that include only one, unaided Safety Net, fleeing felon, or Long-Term Sanction (sanctioned 12 consecutive months or longer [no break in aid] for non-compliance in the Welfare-to-Work [WTW] program) parent/caretaker, with no other parents/caretakers in the home.

This code provides for continued cash aid and Medi-Cal coverage for children whose parents have been discontinued from, or are ineligible for, cash aid due to their status as a Safety Net adult, fleeing felon, or Long-Term Sanction individual.

Aid Code 3F – Unaided Two-Parent Safety Net, Fleeing Felon, Long-Term Sanction Child-Only Cases
CalWORKs cases in which two or more unaided parents/caretakers are any combination of Safety Net, fleeing felon, or Long-Term Sanction (sanctioned 12 consecutive months or longer for non-compliance [no break in aid] in the WTW program) adults.

In addition, cases that include at least one parent caretaker who is unaided due to any of the previously mentioned reasons, and at least one parent/caretaker who is ineligible for another reason, such as being an ineligible non-citizen or a recipient of Title XIX Social Security Income, are also assigned to this aid code.

This code provides for continued cash aid and Medi-Cal coverage for children whose parents/caretakers have been discontinued from, or are ineligible for, cash aid due to their status as a Safety Net, fleeing felon, or Long-Term Sanction individual.

Zero-parent Assistance Units (AUs), from which the all parents in the home are excluded due to receipt of SSI benefits or status as an ineligible non-citizen, will not be assigned to aid code 3F.
