Effective Date:
8/1/2024

Background:
The Family Members Base Allocation (FMBA) amount is used when calculating how much income an institutionalized or Home and Community Based Services (HCBS) waiver spouse can allocate to family members.

Purpose:
To inform staff of the annual FMBA amount.

Policy:
Refer to Medi-Cal Program Guide (MPG) 10.05.04 Allocation/Deeming and Special Case Situations.

Procedure:
Effective 7/1/2024 use the updated FMBA amount of $2,555 to calculate allocations to spouses and dependent family members of an institutionalized or HCBS spouse. Recalculate any allocations that used the 2023-2024 amount of $2,465 for the month of July and onward with the new amount.

Automation Impact:
The FMBA update is scheduled for a September change release. Until the FMBA is updated in the California Statewide Automated Welfare System (CalSAWS), complete manual budget allocations and manually override to the appropriate aid code or Share of Cost (SOC).
