Employment Services Good Cause	Number	Page
	10-020.B	1 of 1

Revision Date:
November 1, 2024

Background:
A participant may be excused from Employment Services (ES) participation on a case-by-case basis due to Good Cause (GC), when it is determined that there is a condition or other circumstance that temporarily prevents or significantly impairs the participant's ability to be regularly employed or participate in ES activities.

Purpose:
The purpose of this revision is to complete a sunset review, streamline policies, and remove GC procedures from the CalWORKs Program Guide (CPG). A corresponding Processing Guide (PG) has been created for this purpose. This update also adds additional employment related GC reasons outlined in All County Letter (ACL) 23-30.

Policy:
Good Cause Evaluation
GC is intended to temporarily address a participant's reason for noncompliance, allowing them to resolve barriers which are preventing success in assigned activities leading to self-sufficiency. ES participants are required to provide information substantiating GC to complete the evaluation.

Good Cause Determination
ES staff will evaluate GC criteria and document the outcome of the determination and continuing validity monthly and more often as needed depending on the nature of the request.

If GC is determined, then ES staff will continue to engage and assist the participant in meeting monthly participation requirements. If GC is not determined, then ES staff will initiate the noncompliance process as described in CPG 10-025.A and PG 10-025.A1.
